

The Secrets of Assessment in PSHE

Monitoring your entire Personal Development programme

Calling all PSHE subject leaders in Hampshire primary schools!

We are pleased to offer a unique CPD opportunity funded by Public Health England.

Roary Pownall, HIAS in-house PSHE Consultant, is presenting a two-hour programme, packed with ideas and information for primary PSHE subject leaders in schools across Hampshire.

Roary is a retired primary head, former His Majesty's Inspector and former Ofsted's National Lead for PSHE, RSHE and citizenship.

The **unique, two-part workshop** will give those attending vital information on both classroom assessment and wider monitoring. Roary illustrates the 10 crucial indicators of quality and how you and your colleagues can check for them. He will give inside tips and hints, explain how to avoid the bear-traps, and show how to improve your school's offer for both your PSHE curriculum and your wider PDW programme.

Bonus: All attendees will receive our PHSE Monitoring Tool for use in your school.

Date	Time	Location
Wednesday 3 June	16:00-18:00	Overton CofE Primary School, Basingstoke
Wednesday 10 June	16:00-18:00	Cornerstone Primary School, Whiteley

We thank the headteachers of the schools above who have offered to host.

Please note:

You are advised to book early as places are limited.

There will be a follow up workshop in the autumn term. The date is yet to be confirmed.

To book please complete the form:
