

Free summer holiday activities still available to book!

Fisher, Mike
Programme Manager

Thank you for your previous support in sharing information about Hampshire County Council's Holiday Activities and Food (HAF) programme.

Almost 4,000 children have signed up for summer so far but there is still time for eligible families to book local schemes before the HAF programme begins on Thurs 23 July! Please share the information below and the attached flyer with families of children in your school communities who receive benefit-related FSM, and other vulnerable families who may benefit from attending HAF schemes.

Children and young people who receive benefits-related free school meals can book **16 days** and enjoy a wide range of activities, make new friends, learn new skills and receive a healthy meal for free through the HAF programme.

We would be grateful for your support in helping us reach your eligible families who may benefit from the programme.

Families can browse and book local schemes via our booking system:
<https://eequ.org/hampshirehaf>

We encourage families to book as soon as possible so they can plan their summer activities and take advantage of the opportunities available in their local area.

Further information about the HAF programme is available on the connect4communities website: [Hampshire Holiday Activities and Food \(HAF\) frequently asked questions](#) | [Hampshire County Council](#)
