The Paper Birds

Breaking the Action

- Choose 3 moments in a scene where the action breaks down, there are 3 mistakes.

- Emphasis here is on keeping it real, NO ACTING! Smaller, rather than larger.

- For example:

A: She had long blonde hair /
B: Short. She had short blonde hair.

A: So the next scene is the storm sequence.
B: Actually, it's the kitchen scene. The storm sequence comes later.
