Introducing the National Education Union

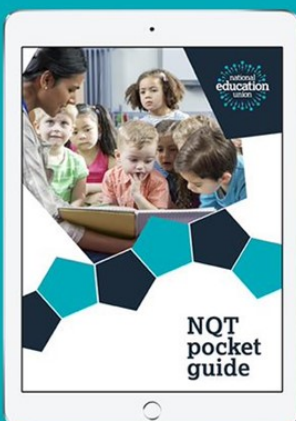

- The National Education Union (NEU) is the largest education trade union in the UK
- We represent more than 450,000 education professionals
- We represent the entire education workforce, from student teachers, to teaching assistants, to classroom teachers, to head teachers. This gives us a powerful voice.
- Together, we're shaping the future of education

Hampshire National Education Union

- The majority of all teachers in Hampshire are members of the NEU, which gives us more power and a stronger negotiating position.
- Experienced local casework team drawn from Hampshire teachers, and
- Specialist ECT caseworkers to support you if you need advice on school issues
