

IOW English and Maths Core Provision Programmes 2022-23

Booking Guidance

Our Isle of Wight Core English and Maths Programmes have been set up on the Learning Zone as Scheduled Programmes. This enables users to be automatically booked on all elements of the programme when they complete their registration, rather than having to register separately on all the different classes. Please note that the booking process for these programmes is slightly different, as detailed below.

IMPORTANT: Headteachers do not need to be booked on Core Provision, links will be sent to subject leaders to share with their headteacher to attend the online **Headteacher and subject leader strategic planning and update meetings**. There is no additional charge for Headteachers to attend these briefings.

If you have Manager functionality and want to assign the programme to a member of staff:

- Type Maths Core IOW 22-23 or English Core IOW 22-23 in to the Find Learning box, press enter

Click **Assign to Others**

- You can then select the relevant member of staff from your Employee list
- Once selected, click **Assign Learning**
- The user will then need to log in to the Learning Zone and register on the programme that has been assigned to them (in the usual way)
- The user will automatically be registered on all elements of the programme and will receive booking confirmation notifications from the Learning Zone
- A confirmation will be generated for each element of the programme.

If you are a booking yourself on the programme (user self-booking)

- Type Maths Core IOW 22-23 or English Core IOW 22-23 in to the Find Learning box, then press enter
- Please ensure that you select the 'Scheduled Program'
