

Climate Unity Virtual Conference 2026

Wednesday 28 January 2026

08:55am-12:30pm

We are pleased to invite you to the Climate Unity Virtual Conference in January 2026.

This **free event** is open to **children in Years 5 to 8** and offers a morning of engaging, **practical online workshops**. Pupils will explore **sustainable initiatives both locally and globally**, gaining insight into climate action and environmental stewardship. The conference will also showcase **inspiring climate projects from Hampshire schools**. It is a fantastic opportunity to **deepen climate education and empower young people** to take meaningful action in response to the climate crisis.

Schools are invited to log in to the conference directly from their classrooms and take part in the workshops delivered by experienced providers.

These sessions are designed to be interactive and inspiring, helping pupils connect with sustainability themes in meaningful ways.

From **12:00 to 12:30**, there will be a **dedicated teacher space**, offering teaching practitioners the chance to hear from a range of organisations and explore resources that support sustainability in schools.

Workshops and presentations include:

- **Animal conservation in Tanzania** – David Shepherd Foundation.
- **Exploring football and sustainability; the greenest football in the world** – Ministry of Eco Education.
- **Discover the hidden world of The Solent's seahorses** – Final Straw Foundation.
- **An Eco Team in action** – The Burgate School.
- **'Small Worlds' art exhibition** – Dr Jayne Stillman.
- **Let's Go Zero.**
- **Climate Ambassadors.**

Please complete the registration form – [Virtual Climate Unity Conference – 28 January 2026](#).

Further information and a MS Teams meeting link will be sent to you nearer the time.
